From Brother Mike. . .

Mike Farmer, Director of Missions

As many of us long for the warmer days of spring to arrive, there is also a longing for something special to happen in our churches. Some are comfortable with the status quo. They like it the way it is and don't desire to see change. Others have a heartfelt hunger to see something happen within our churches. What would it be like to experience a miraculous move of God?

With that desire in mind, we are planning another community revival. Services will be held March 2-5 at Athens First Baptist Church. I pray all churches will be able to join with us as we seek to draw closer to our God. Final details are still being worked out as I write this.

I would ask every church member to begin to join us in prayer for this revival meeting. Just to have services does not mean we will have revival. I am praying that God will begin to move in a powerful way as we gather together in March.

Isaiah 6 gives details of Isaiah's vision of God. My prayer is that we would desire get to know God so well that we "see" Him as He is. As I read Moses' account of his experience at the burning bush, I was reminded that God told him His name was "I AM." This is still true. The God who appeared to and spoke to Moses is the same God we worship today. May we all strive to know the "I AM."

Blessings,
