From Brother Mike. . .

What does summer mean at your house? Vacation, no school, hot weather or yard work? For many of our churches June brings VBS, mission trips and church picnics. The opportunities abound for gospel ministry during the summer. What is your church planning for outreach to your community this summer?

Be in prayer for Vacation Bible School. Most of our churches will have VBS this summer. It is the single greatest outreach we have in the Southern Baptist Convention. I am praying that many kids will respond to the proclamation of the Gospel. May their lives be changed and may that also impact their parents and family members.

June also means it is time for the Southern Baptist Convention. Pray as many will be traveling to New Orleans for this year's convention which will meet on June 13-14. If you are not going to attend, I encourage you to watch the proceedings online. There are some important decisions to be made. Above all pray that we will reflect Jesus Christ in all we do. The media would love to headline less than gracious moments. May we all help the world to see Jesus in action during this meeting.

Camp Cherokee's Youth Week and Children's Weeks are just around the corner. Pray for the workers and the kids. May we see numerous decisions made during these weeks.

One more item for prayer. Luke 10 tells us the harvest is abundant but the workers were few. This is just as true today. The number of lost people in our society is growing at alarming rates. Pray for more workers. The average age of SBC pastors is rising all the time. In the coming years many of these will retire or go on to glory. Who is going to take their place? Pray for young men to answer the call

Mike Farmer, Director of Missions

of God to be pastors. Pray for young people to respond to the needs on the mission field. Pray that we will see many commits to being available for God to use as He sees fit. It is a struggle for churches to find pastors, and if people do not respond to God's call this issue is only going to get worse. What does God want you to do?

Blessings,
