From Brother Mike. . .

Mike Farmer, Director of Missions

Summer is here! Vacation Bible Schools are about to happen for many of us. I pray that each church will be able to do a VBS event of some kind. Let's make contact with new children and families throughout the Association and may we see many saved this summer.

Why does it seem that so many churches are struggling and not seeing much happen? There are a lot of possible answers to that question. Some of our answers may be accurate and some may not be. However, a verse of Scripture came across my desk a few days ago and it was one of those light bulb moments regarding this question.

The verse was Acts 1:8 where Jesus makes His final statement to the disciples before ascending to Heaven. He told them they would receive power. That power would be in the form of the coming of the Holy Spirit upon them. This was not something just for those disciples, this is something for all future believers. When we are saved, we receive the Holy Spirit which means we receive God's power.

I believe this is a key part of the problem with many struggling churches. We are not operating in power. We receive the same Spirit as the disciples did in Acts 2, but we are not functioning under the power and direction of the Holy Spirit. How often do we do things in our own power and abilities? More than a few times I have heard a new idea suggested in a church and the response is "Oh, we can't do that."

Those are correct words when we say we can't do that. But, we serve a God who can do all things. Think about the last part of verse 8.

When we work in the power of the Holy Spirit we will be witnesses for God in all the world.

The world will not be impressed by what they see us do. They will take notice when they see what God can do. I pray that we will allow the Spirit to empower us to be strong witnesses for Jesus Christ.

Blessings,
